Dear Residents

## **Parking News**

Following our long standing campaign of lobbying the Council, we finally have all the necessary approval and more importantly funding to add some additional parking to the area nearest Innox Park. This will help to reduce the strain on some of the parking issues.

We appreciate this is not going to resolve every parking issue in the street, but are confident that it will reduce the strain felt by many. We will continue to monitor what affect this has to see if more needs to be done.

If you have any questions about this or any other issues that affect you in the area, please do get in touch with us.

Regards

Sarah Moore & Tim Ball
