# FOCUS

April 2019

Community newsletter from your local Liberal Democrat team  
**Cllr Tim Ball • Sarah Moore**

## Your Liberal Democrat Team

Your South West Bath Focus team are happy to endorse both **Tim Ball** and **Sarah Moore** as the Liberal Democrat candidates for the Twerton & Whiteway area in the local elections on 2<sup>nd</sup> May.

**Tim** and **Sarah** work tirelessly to ensure the best possible solutions are found for a range of issues across our community. They are out in our area daily and experience first hand the issues we all face and strive to get a solution wherever possible.

Please show your support for these 2 hard working individuals from our community by giving them BOTH your votes on 2<sup>nd</sup> May. Make sure your voice can be heard on issues that directly affect you.

## Emily, Walwyn Close

I will be using my 2 votes for **Sarah Moore** and **Tim Ball** as they actually do things for the community to help it, they get out there and get stuck in and support locals like me to help ourselves with projects like Carrs Woodland.

## Rosewarn Park - Latest update

Following a number of conversations with local residents, **Sarah Moore** has set up an on-line survey that has already been completed by a large number of people to reflect your views of what you want for this lovely open space.

**Tim Ball** has also put in a bid for funding from The Bath City Forum to be allocated for work in this area and hopefully provide some well needed new facilities that will benefit all ages.

Whiteway Community Association are working hard on various funding raising activities including a jumble sale and collection of drinks

cans, every bit of money that can be made available will mean more can be achieved in this area for local residents to enjoy.

# IN OUR AREA

## Fairer Funding for Schools

**Tim Ball** and **Sarah Moore** attended a meeting held at Twerton Infant School at the beginning of April to hear about the effects the significant cuts our schools are experiencing are having on the ground.

Whilst Central Government have said they are giving more funding to schools, this is nowhere near the amount needed to fill the gap that has arisen over the past 7 years and our children's education is affected directly from these cuts.

**Tim** and **Sarah** are fully supportive of this fight and would like to urge everyone in our community to please take the time to get involved with the BANES group either on Facebook (Fair Funding For All Schools - BANES), on Twitter @fairbath or contact us so we can put you in touch.

**Tim Ball** and **Sarah Moore** have been out working across our community throughout the past 4 years (and longer) talking with and helping a huge number of residents. **Tim** and **Sarah** are fortunate to have the opportunity to work in a great community and are pleased to have the support of so many of it's residents like those below.
