FOCUS

Spring 2020

Community newsletter from your local Liberal Democrat team
Cllr Tim Ball • Cllr Sarah Moore • Cllr Paul Crossley • Cllr Dine Romero

Welcome to 2020

Bath City Farm - A great community asset

Bath City Farm, borders Twerton, Whiteway and Southdown and we are fortunate enough to have such a great asset for our community. We are all pleased to see the latest planning project for the farm, a purpose built cafe is nearing reality.

We are also pleased to confirm that the transfer of the farmland from Council ownership to the farm trust has also been agreed through a community asset transfer agreement and should be signed off this year.

Councillor Paul Crossley said "I am pleased that the community asset transfer is going ahead, it is important that this much valued community space is kept for this area of the city. Local residents are passionate about this hillside, which has been shown on numerous occasions, most recently with their continued fight to stop the building of houses on the field just below the farm."

The farm currently holds many community focused activities including the Southside Farm Group, Roots and Shoots and an after school club, as well as a number of events throughout the year, please do take a look at their website, they are always looking for more volunteers.

Councillor Tim Ball said "Twerton farm has for many years been a focal point for young people and older residents to get away from the day to day rumble of life and escape into the countryside whilst still inside the City".

IN OUR AREA

What has your Local Liberal Democrat team delivered for you?

Your local Liberal Democrat team of Councillors and Activists work hard all year round to ensure local issues are dealt with. Local Councillors are elected firstly to represent specific communities and then the wider Bath & North East Somerset Council area, they have very little impact on National policies other than to request changes are made. Since taking control of the local council last May, Councillors Tim Ball, Sarah Moore, Paul Crossley and Dine Romero have achieved a lot of positive changes for our communities, whilst at the same time working with individuals in the community to improve their lives. Below are just a few of the community achievements, please do get in touch if you would like to hear what else they have achieved or are planning for the coming year.
