Improvements demanded for Twerton High Street

Local Councillors Tim Ball and Sarah Moore have asked for the WECA money to be released so that improvements to the ascetic appearance can take place.

Twerton High Street was allocated over £700,000 from WECA and this has been held back due to issues related to the re-development of the Bath City Football ground. It is now clear that there will not be an early update of this area after a planning application was refused last year.

Councillor Sarah Moore said: "We have worked hard to try to get the High Street sorted out without any money being spent including the replacement of street drinking signs, but we now need the investment of the allocated money to bring forward improvements that are badly needed.

Speaking about the cleaning of Twerton High Street Councillor Tim Ball said "We would like to thank the volunteer litter picking team for keeping the High Street clear of litter and also those other teams and individuals that help across the area."

Twerton & Whiteway Wombles work across the ward and would love to see more residents join them in their up-coming litterpicks - 6th February Freeview Road/Watery Lane and 10th March Shaws Way/Cleeve Green. All litterpicks are advertised on their facebook page.

IN OUR AREA

What has your Local Liberal Democrat team delivered for you?

Your local Liberal Democrat team of Councillors and Activists work hard all year round to ensure local issues are dealt with. Local Councillors are elected firstly to represent specific communities and then the wider Bath & North East Somerset Council area, they have very little impact on National policies other than to request changes are made. Despite the difficult year in 2020, Councillors Tim Ball and Sarah Moore, have achieved a lot of positive changes for our communities, whilst at the same time working with individuals in the community to improve their lives. Below are details of places in the ward that they have been able to help with their Ward Empowerment fund, please do get in touch if you would like to hear what else they have achieved or are planning for the coming year.
