Cllr Tim Ball • Cllr Sarah Moore

New Park Equipment

August saw the installation of the new Multi Use Games Area (MUGA) into Roseworn Park.

Councillor Sarah Moore and Councillor Tim Ball were able to securing funding from the Community Infrastructure Levy (CIL) funds.

Working with Curo, Sarah and Tim are keen to see more improvements to the park area so that local families have somewhere safe and enjoyable to take their children to play.

There are a number of other improvements being looked at for this amazing green space, including a wildflower meadow and the renaming of this area to make it more welcoming for everyone in the community.

We are also working closely with the Council to look at what improvements can be made to Pennyquick Park as this is the other main park space in our ward that has had very little attention to date. If you have views of what you would like to see please do get in touch and let us know.

IN OUR AREA

Wildflower Planting

Tim and Sarah have funded a large number of bulbs, seeds and plug plants to be planted at a number of locations around Twerton and Whiteway.

Several people have already come forward to volunteer, however, due to the numbers we have, we will only be able to plant a limited number of sites.

At the moment we have identified sites on the High Street, Long Hay Close, Springfield Close, North View Close, Highfield Close, Poolemead Road and Pennyquick Park.

If you have not already got in touch to volunteer and would like to get involved, please do contact us as the more people we have the more we can plant and bring colour to our streets.

Residents Survey

Tim and Sarah are continuing to deliver this year's Survey to the remaining areas of the ward. Please do take the time to return your copy if you haven't already done so.

Your views are important to us and we are keen to make Twerton and Whiteway an area that works for you and our communities.

Alternatively, you can email us with your responses or comments.

Twerton High Street

Two events were held in September to ask residents what improvements they would like to see on our High Street.

Funding for the improvements is being applied for from the Love your High Street campaign from WECA (West of England Combined Authority).

Thank you to everyone that came along to the events with such a large number of thoughts and ideas, these are being reviewed and compiled by BANES officers and once the results are known we will share them all with you.

Keep up to date

Tim and Sarah now produce a Monthly e-newsletter to keep you up to date with everything across Twerton, Whiteway and the wider city. If you would like to receive these updates please contact us with your email address and we will add you to our rapidly growing list.
