Cllr Tim Ball & Cllr Sarah Moore

Welcome to 2022

A NEW YEAR PROMISE OF MORE

In the last year your local Councillors Tim Ball and Sarah Moore have delivered across the area please see the centre pages.

They are delighted to confirm that they have already delivered the six to fix as promised in the 2019 manifesto to residents and now they are going further and have developed a 3 to do list that has been highlighted to them by local residents during their recent residents survey.

- 1) Tim and Sarah are already working on bringing different partners together to establish a redevelopment package for the High Street including the Football Club, more details will follow.
- 2) During the Autumn 2021 they started on a process of brightening up the area with the planting of bulbs across the area and they intend to intensify this during 2022 and bring in more residents to ensure the whole of Twerton and Whiteway benefit, they will also be planting more trees as part of environmental improvements.
- 3) Many improvements have been delivered on our road surfaces in the last two years and Tim and Sarah have been lobbying for the roads and pavements that have not been resurfaced to be dealt with, more details will follow in the coming months.

The above list is not exhaustive and we look to residents to let us know what further issues in our community they would like to be delivered in the coming year.

IN OUR AREA

What has your Local Liberal Democrat team delivered for you?

Your local Liberal Democrat team of Councillors and Activists work hard all year round to ensure local issues are dealt with. Local Councillors are elected firstly to represent specific communities and then the wider Bath & North East Somerset Council area, they have very little impact on National policies other than to request changes are made. During the past 12 months, Councillors Tim Ball and Sarah Moore have achieved a number of positive changes for our community, whilst at the same time working with individuals in the community to improve their lives. Below are just a few of the community achievements, please do get in touch if you would like to hear what else they have achieved or are planning for the coming year.
